7 Pin connector female

Cable 3		Cable 4	Cable 5 *1		AC Adaptor *2 00T206079D
Length	Specify the length Made to order	Specify the length Made to order	Specify the length Made to order	Connector	
Straight cable 3m	Straight cable m (4 - 10m, in 1m increments)	Straight cable m (4 - 10m, in 1m increments)	Straight cable m (4 - 10m, in 1m increments)	7 Pin connector male	Necessary/ Unnecessary
				7 Pin connector female	

Enclose items of requirement in a circle and write down required cable length. 300mm coiled and 3m straight cables are standard equipment.

\*1. Cable 5 is for connecting LD/LDC to the previous CSPD/ACQSPD cable from CD5.

Select the connector shape depending on your CSPD.

- Standard "CSPD", Fixed type: use 7 Pin connector male

- "CSPD-KN", Connecting type: use 7 Pin connector female

\*2. To perform OK/NG LED light with CD5 less than version 1.4, AC adapter 00T206079D is required.
